

Privacy Policy

Through its website, Dr Christos Sideris Orthodontist collects personal information about you. The clinic is committed to ensuring the protection of your personal information and invites you to read this confidentiality policy.

Personal information collected automatically

By connecting to our website, certain personal information is exchanged between your computer and our server. This exchange is necessary so that the data contained on our site can be correctly communicated to the computer equipment you use. This personal information is kept by the Clinic only for technical and statistical purposes related to the performance of our website.

The information covered is as follows:

- The domain name of your Internet service provider.
- Your IP address.
- Your browser (Explorer, Firefox, etc.).
- Your operating system (Windows, Mac OS, etc.).
- The date and time of your visit.
- Internet pages consulted.

Use of cookies

The clinic does not keep any connection cookies (commonly known as "Cookie") permanently. Only a temporary connection cookie is used during your visit to our site in order to improve the performance of certain features present there.

You can deactivate your cookies through your web browser.

However, this deactivation may have the effect of restricting certain functionalities of our website.

Personal information transmitted voluntarily by email or by filling out the form

The personal information that you voluntarily communicate to us by email or via the contact form on our website, such as your name and email address, will only be used to allow clinic staff to respond to you or follow up on your request. , and will not be kept.

Confidentiality agreement

All clinic employees have signed a confidentiality agreement.

Responsible for Privacy Policy

For any questions regarding this policy, or for any complaints relating to non-compliance with it, please contact Ms. Patricia Boileau, responsible for the protection of personal information, in writing at info@drsiderisortho.com
